

## RISHA GRANT INTRO

Motivated by her passion to recognize her own BS and correct societal “isms” like racism, sexism, classism and plain old stupidism - it is Risha Grant's personal mission to expose the value of Diversity & Inclusion while shining a light on the economic impact it creates.

Risha Grant is the CEO & Founder of Risha Grant LLC, an award-winning, full-service diversity communications, recruitment, training and consulting firm. Its mission is to utilize diversity communication strategies, tactics and training as a catalyst to create inclusive cultures.

With almost 20 years of experience working in one of the reddest states in the nation, she will provide us with steps to identify, own and confront our bias by calling BS on the issues that stop us from building inclusive cultures and attracting diverse markets.

Please help me welcome – Risha Grant....
